The upcoming CAPA (Christian Association for Prison Aftercare) conference will be in Atlanta on October 13-16th. I have attached the digital brochure which explains more. We will be attending along with several of you. CAPA has offered a few scholarships and we have forms if anyone would be interested in applying please let me know.

We also discussed our upcoming One Year Anniversary Celebration which will be held on September 1, 2011 at 6:30pm at Harvest Time International in Sanford. We have many opportunities for you and your Station of Hope to be part of this event. Please see the power point that is attached for some additional information. This will be a community-wide event and we will have display tables in the lobby as guests walk in to see and understand our partners and Stations of Hope. We will be asking each Station of Hope to set up a display so that others can see the exciting things each House of Worship do in the community. We will also be coordinating a musical number with the local Station of Hope choirs for the event. If your choir would like to be part of this event, please email me and let me know.

To volunteer to serve at this event you can register here: <http://hatprogram.wufoo.com/forms/hat-program-one-year-celebration-team-registration/>
